The Governor of Arunachal Pradesh and Meghalaya Shri V. Shanmuganathan has extended his heartiest greetings to the people of the State on the special occasion of Indigenous Faith Day. He expressed his hope that celebration of the day will inspire all to carry forward our indigenous faith system, as the people have done since times immemorial.

In his message, the Governor said that the Day, which is being observed as Donyipoloism Day, Rangfraism Day and also Intayaism Day in respect of indigenous faiths, cultures and customs in the State, reflects the unique cultural heritage of the indigenous people. It also reinforces our distinctive culture which always has been for peace and harmony. In order to strengthen this spirit, it is my firm belief that if rights of indigenous peoples respected, the cultures and traditions of the people will be maintained and strengthened. He expressed confidence that the occasion will give impetus to the endeavour indigenous community for all round development of our Arunachal Pradesh State.

On this joyous occasion, I offer my prayers to Almighty to invoke thy blessings for each one of us, he added in his message.
