Use latest technologies and innovative ideas : Governor

The Governor of Arunachal Pradesh Shri P.B. Acharya visited the Regional Sheep Breeding Farm, Sangti, 12 km from Dirang in West Kameng District on 6th April 2017. Accompanied by the State’s First Lady Smt Kavita Acharya and Secretary to Governor Shri Vinod P Kavle, the Governor went around the farm and interacted with the officials and staff.

The Governor exhorted the officials to properly maintain the farm in order to produce best wool from the sheep. He emphasised that the people of the State, particularly, the sheep rearing farmers of the district must be benefited.

The Governor said that the Farm should financially empower the local people. He advised them to use latest technologies and innovative ideas.

The Governor was pleased to learn that whatever products such as sheep wool and sheep dung were sold to local people. He was also happy to learn that many local people are engaged in the Farm.

Earlier, Dr. H. Tama, Deputy Director, Regional Sheep Breeding Farm, Sangti briefed the Governor about the lone sheep breeding farm. He informed that there are 240 sheep.

PRO to Governor
Arunachal Pradesh
