Press Communiqué

Governor calls upon the youth to preserve traditional values, indigenous knowledge, languages, and cultural practices, while contributing towards environmental protection and sustainable living

Governor encourages the youth to actively participate in 'Ek Bharat Shreshtha Bharat' programmes as it promote cultural understanding, emotional bonding, and shared national pride

Governor participates in Yuva Sangam

Governor advises youth to connect with people from different parts of the country and engage in meaningful exchanges to strengthen unity, mutual respect, and national integration

Governor encourages youth to become ambassadors of national unity and work towards eliminating stereotypes and regional barriers through greater interaction, empathy, and mutual appreciation

The Governor of Arunachal Pradesh, Lt Gen KT Parnaik, participated in the Yuva Sangam programme under the 'Ek Bharat Shreshtha Bharat' initiative at Lok Bhavan, Itanagar on 27th May 2026. The Governor interacted with participating students from Uttar Pradesh and North Eastern Regional Institute of Science and Technology (NERIST). NERIST has been serving as the nodal institution for Arunachal Pradesh for Yuva Sangam Phase VI and has been paired with Indian Institute of Management Lucknow.

Interacting with the youth, the Governor advised them to connect with people from different parts of the country and engage in meaningful exchanges to strengthen unity, mutual respect, and national integration. He said such interactions help young people appreciate India's rich diversity while deepening the spirit of "oneness" that binds the nation together.

Emphasizing the importance of the 'Ek Bharat Shreshtha Bharat' initiative, the Governor encouraged the youth to actively participate in programmes that promote cultural understanding, emotional bonding, and shared national pride. He urged them to cultivate curiosity and inquisitiveness, which he described as essential for learning, innovation, and personal growth.

The Governor also called upon the youth to preserve traditional values, indigenous knowledge, languages, and cultural practices, while contributing towards environmental protection and sustainable living. Highlighting the role of young people in nation-building, he encouraged them to remain educated, disciplined, and self-motivated.

Addressing the visiting students from Uttar Pradesh, the Governor spoke about the rich history, vibrant culture, and developmental journey of Arunachal Pradesh. He highlighted the State's immense potential in hydropower, horticulture, tourism, and organic farming, while also referring to the geographical and infrastructural challenges faced by the Frontier Strategic State. He said that Arunachal Pradesh continues to progress steadily with the support of the Central Government and the determination of its people.

Connecting Arunachal Pradesh with India's ancient civilizational and cultural heritage, the Governor highlighted several sacred and historical sites of the State. He referred to Parashuram Kund as a revered spiritual destination associated with Indian mythology and faith. He also mentioned Bhismanagar and Malinithan, emphasizing their historical and archaeological significance and their role in reflecting the deep cultural and spiritual links between Arunachal Pradesh and the rest of India.

The Governor urged the visiting students from Uttar Pradesh to carry back with them the warmth, goodwill, and hospitality of the people of Arunachal Pradesh, along with fond memories of the State's rich cultural heritage, vibrant traditions, and natural beauty. He expressed hope that their visit would strengthen bonds of friendship and deepen their understanding of the Northeast Region and its people.

The Governor also emphasized that the people of the Northeast are as patriotic, committed, and devoted to the nation as any other citizens of India. He said the region has always contributed immensely to the country's unity, security, culture, and development, and therefore deserves equal respect, understanding, opportunities, and treatment in every sphere. He encouraged the youth to become ambassadors of national unity and work towards eliminating stereotypes and regional barriers through greater interaction, empathy, and mutual appreciation.

The highlight of the Yuva Sangam was the vibrant cultural exchange programme, which beautifully reflected the spirit of unity in diversity and strengthened the emotional bond between the participants from Arunachal Pradesh and Uttar Pradesh. Miss Techi Ajum, a Class IX student of Vivekananda Kendra Vidyalaya Nirjuli, presented an elegant Kathak performance. Students of NERIST performed an Arunachali traditional group dance, while Team UP presented folk and semi-classical songs along with 'Kajari Loknritya', a traditional folk dance of Uttar Pradesh. The Governor later hosted a high tea for the participants.
