The Governor also expressed concern regarding issues related to the North Eastern Regional Institute of Science and Technology (NERIST) and underscored the need for sustained efforts to strengthen the institution. He advised the Education Department to explore the establishment of Common University Entrance Test (CUET) examination centres within Arunachal Pradesh to provide greater convenience and equal opportunities to students.

Appreciating the Department's reform-oriented approach, the Governor commended the Education Minister for implementing the rationalized teacher transfer system through the Teachers' Registry Portal.
